

At age 76 all our friends thought I was insane on taking on a new home. But choosing you as our builder was the best decision we ever made. Excellent quality home. No hassles and home completion well on time. Made the building process very pleasing and we have gained friend in the process." - *Piara Atwal*

This lovely home is nestled in the elevated area in Park Lakes Estate, Bli Bli. The clients adored the block and the surrounding views and wished for a home where they could retire. The challenge of a sloping block was met with a custom design that allowed us to build a 6 metre raised single-level home with direct access from the driveway and street entrance. The translucent glass windows perfectly frame the surrounding bushland and the vast natural timber flooring and decking seamlessly operate in harmonic environmental discourse. Accompanied by a custom designed and decorated kitchen and indoor planting box in the living area, this unique home is a delightful breath of fresh air.

A BUILDER WHO CARES

WHY BUILD WITH **LOOK HOMES**?

BEST DISPLAY HOME OF THE YEAR

Look Homes is an award winning building company who specialise in design and construction of custom homes. Based on the Sunshine Coast, owned and operated by Lio Tellan. Our experienced team are dedicated to offering personalised service where the client deals direct with the builder.

From initial concept stage, we work with you to design a plan that seamlessly enhances your unique lot and perfectly encapsulates your lifestyle. A custom design will ensure you build your dream home that maximises orientation, layout, landscape and surrounding views, including fixtures and fittings that completely reflect your unique personality and requirements.

Our dedicated team are committed to delivering you a beautifully finished home and guarantee the highest quality standards. Quality control checks are carried out at every stage of the build and every house comes with a 6.5 year structural guarantee. For your peace of mind we offer value for money fixed price contracts and efficient construction times. **Talk to Lio today and experience the difference in personalised service and the rewarding satisfaction of designing and constructing your custom home.**

A BUILDER **WHO CARES**

We would like to thank you for a stress free build and a wonderful experience in dealing with Look Homes.

Heather Bradbury

I am already recommending you to everyone I talk to, as a single person building my first home on my own, I feel I was blessed to have met you Lio

Marie and Ron Fishwick

We absolutely love our new home! We truly appreciate your personal touch throughout the process and won't hesitate to recommend your terrific service to others looking to build a new home." - *Dale and Erintia Young*

This beautiful home was custom designed specifically for a corner block in Park Lakes estate, Bli Bli. Orientated north to capture the winter sun the glamorous facade features a skillion roof and high-reiked ceilings working to create a feeling of grandeur. Presenting four generous sized bedrooms, ample storage plus office and media there is plenty of space for this growing family. The open plan layout ensures entertaining is a breeze with the central hub of the home adjoining the large alfresco area designed specifically to capture the surrounding parkland views. Furnished with custom chosen appliances, fixtures and fittings this is a quality constructed unique family home that exceeds the clients brief.
