4 BED 2 CAR 2 BATH + MEDIA

Nature and nurture are synonymously captured in the divine Mountain Ash. Beautiful mountain aesthetics are gloriously depicted with a double gable facade and timber feature cladding. The family will feel perfectly nestled in this four bedroom abode with luxurious additions including a chef's kitchen, media room, study nook and Master with private his and her walk-in-robe and ensuite with bath for ultimate relaxation.

Designed to capture the outdoors and surrounding views, light permeates the home through large windows and bi-fold doors that conjoin seamlessly for family friendly entertaining and cross ventilation. You and your family will certainly live well and breathe easy as you unwind in the glorious Mountain Ash.
